

Welcome to the EWENT Innovations Seminar 26-27 April 2012 in Athens!

This is the preliminary announcement for the Innovations Seminar of FP7 Transport project
EWENT - Extreme weather impacts on European networks of transport.

If you are providing or using transport services, in charge of transport policy or transport management, or developing new transport technologies or services, you will find this seminar interesting. Please join us and hear what we have learned during the 2,5 year research project [EWENT](#), and what the key results, conclusions and recommendations are. How can European transport system be better prepared for extreme weather and changing climate?

- Seminar starts immediately after [TRA2012](#) in Athens on 26-27 April 2012
- Venue is close to TRA2012 conference: [Hotel Titania](#) 52, Panepistimiou Ave, Athens 10678.
- A block of rooms have been reserved including breakfast with the price of 60€ single / 70 € double per night.

Preliminary Agenda

Thursday 26th April 12.00 - 22.00

- Introduction to participants during seminar kick-off lunch
- Presentations of the key EWENT results:
- Extreme weather phenomena
- Probabilities and future scenarios
- Consequences and costs
- Risk management, adaptation and mitigation methods
- Systematic innovation brainstorming session
- Digestion of new ideas during Innovation Dinner

Friday 27th April 09.00 - 14.00

- Brainstorming continues with well digested and fresh ideas
- Summary of ideas and selection of the best ones
- Celebrating the Best EWENT Idea with farewell lunch

Seminar is free of charge but requires registration. As there are only limited number of seats and rooms available, please send your preliminary interest by **replying to pirkko.saarikivi@foreca.com** as soon as possible giving your contact information. More detailed agenda is provided closer to the event.

Looking forward to seeing you in April in Athens!
